

THE AUTHORS GUILD

Words, Ideas, and Thinkers

About WIT: The Authors Guild *Words, Ideas, and Thinkers* Festival

In September 2022, the Authors Guild Foundation (AGF) will launch an annual ideas festival in Lenox, Massachusetts, the heart of the Berkshires. Featuring authors and other thought leaders, we will explore this American moment with the inaugural theme of *Reimagining America*. WIT means to expand our understanding of critical issues, celebrate America's literary culture, amplify new voices and perspectives, as well as host conversations with the people at the leading edge of American letters. It is free and open to the public so everyone can participate in the dialogue without barriers. If you would like to support this effort, we would love to partner with you.
